Vegetarians: We will be happy to prepare any dish on our menu with tofu or Pollì's famous Texturized Vegetable Protein. T.V.P. is soy-based and is seasoned and simmered with our delicious blend of herbs and spices. Pollì's T.V.P. has the consistency and flavor of ground beef. Two of my favorite dishes are a stuffed quesadilla with T.V.P. or a tofu enchilada plate with black beans, and I'm not even a vegetarian!

Black beans or refried beans? We do not cook our beans with lard. Refried beans are mashed pinto beans. Black beans are served whole. Both are topped with cheese.

CHILDREN: We love kids. Please keep them in their seats and safe at all times—not running loose. Thank you for taking care of crying children outside.

CELL PHONES: Please use cell phones outside.

TABLE CAMPING: We are a small and popular restaurant. Please be considerate of other guests who are waiting for tables.

NO PERSONAL CHECKS PLEASE.
We accept Visa and Mastercard.
